Scholarship applications may be downloaded from the OSGC website:

<http://www.osgc.org/pdf/CCApp.pdf>

To be considered for the 2016-2017 CC-STARS! (Community College – STEM Training and Retention of Students!) Scholarship Program, a complete application package consisting of the materials listed below must be submitted to your Campus Representatives. Applicants are also encouraged to discuss the program with their Campus Representative before completing the application.

- Completed Application form
- One Recommendation form (from the Student's Advisor or Campus Representative)
- Official College transcripts (unauthorized grade reports are acceptable if authenticated by the Campus Representative)

It is the applicant's responsibility to obtain application materials and request recommendations and transcripts in sufficient time to meet the application deadline.

### DELIVER APPLICATION PACKAGE TO:

**Your Campus Representative by Friday,  
September 30, 2016.**

*(Refer to the listing on the reverse side.)*

## EVALUATION

Selection is competitive and will be based upon the applicant's academic record, written letters of recommendation, and the applicant's personal statement and project proposal. Separate evaluation of applicants and award of scholarships will take place at each member community college.

## SCHOLARSHIP PROGRAM

To encourage United States' citizens to pursue advanced education, the Ohio Space Grant Consortium (OSGC) and its member community colleges provide financial support through competitively awarded scholarships to community college students studying in a Science, Technology, Engineering, and Mathematics (STEM-) related discipline. These scholarships are funded through the Congressionally sponsored National Space Grant College and Fellowship Program, administered by the National Aeronautics and Space Administration (NASA). Students who are United States' citizens and are enrolled at one of the following member universities are encouraged to apply for a community college scholarship:

- Cincinnati State Technical and Community College
  - Cuyahoga Community College
  - Lakeland Community College
- Lorain County Community College
  - Sinclair Community College

## SCHOLARSHIP ELIGIBILITY

The scholarship program is open to students who are United States' citizens and currently enrolled in a program of study at one of the member community colleges. Awards are generally made to full-time students (enrolled for 12 semester hours), but part-time students (enrolled for 6-9 semester hours) demonstrating academic merit are also eligible for the award. Underrepresented students including women, minorities, and persons with disabilities are encouraged to apply.

Students eligible for support can be enrolled in any degree program related to Science, Technology, Engineering, and Mathematics (STEM).

### *Examples of STEM-related disciplines include:*

- \* Aviation Technology \* Biology \* Chemistry
  - \* Computer Science/Computer Engineering
  - \* Construction Engineering Technology
  - \* Dietetic Technology \* Earth Science
- \* Electrical/Electronic Engineering Technology
  - \* Engineering Technology
- \* Environmental Health and Safety Technology
- \* Geography \* Health Information Management
- \* Industrial Technology \* Information Technology
  - \* Integrated Systems Engineering Technology
- \* Manufacturing/Industrial Engineering Technology
  - \* Manufacturing Technology \* Mathematics
    - \* Mechanical Engineering Technology
  - \* Nuclear Medicine \* Physics \* Etc.

## REQUIREMENTS

Student award winners are expected to work with a Community College faculty member on an introductory research project, and students have the option to present a poster detailing the research at the annual OSGC Student Research Symposium held in April at OAI in Cleveland, Ohio. Presenting at the Symposium is not mandatory.

Students awarded scholarships will also be required to provide a photograph and biographical information upon selection, and to respond to academic and employment follow-up tracking surveys.

## AWARD AND TENURE

Community College scholarships are one-year awards of \$2,500 during the academic year. Contact your campus representative for additional information about how funds are dispersed at your school.

Scholarships begin with the Fall, 2016 term. Selected students should be working toward an Associate Degree, or have the intention to continue for a 4-year degree, preferably at one of the OSGC-affiliated institutions, or enter the world of work in a STEM-related position.
